Dear Sir or Madam:

It's that time of year, to verify your participation in KCTV5's school closings system.

To report a closing or a change in your school schedule to KCTV5/KSMO, please do the following:
Dial (913) 677-0814. You'll be asked to enter your facility code and your pass code number. Those numbers are unique to your facility, and you should keep them secure.

Your facility code number: 084015

Your pass code number: 92524

Be sure to listen closely to all of the options before you make a selection. If you need to hear the options again, hold the line. After a few seconds, the system will repeat the options. If you chose the incorrect option and need to make a change, hang up and call (913) 677-0814 again. You must then reenter your facility code and pass code and choose the correct option.

1. Your school with classes that fall in the range of K-12 is closed.
2. Your college, university or trade school is closed TODAY.
3. Your church is closed TODAY.
4. You are opening late.
5. You are closing early.
6. You have no daytime classes.
7. You have no evening classes.
8. You have no daytime activities.
9. You have no evening activities.
10. Your church has no daytime services.
11. Your church has no evening services.
12. Your meal delivery program has no service.

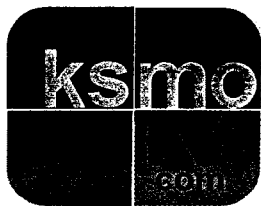

Colleges, universities and other schools with both daytime and evening classes should use our "no daytime classes" and "no evening classes" options unless the facility will be closed all day and all evening.

If you operate a K-12 facility and you want to report a closing for the following day, please wait until after 3pm the day before you plan to close. Colleges and universities should wait to call until after 7pm to report a closing for the following day.

If you have any problems, questions or concerns, or if you believe someone not authorized to close your school has obtained your facility code number, pass code number or both, please notify us as soon as possible at (913) 677-7211. If you've had personnel changes since the last school year, please send us the names, titles, work phone numbers, home or cell phone numbers and e-mail of the people authorized to use our system. Send that information to marc.jacobs@kctv5.com
